Description

The Burberry Internship Program offers a unique, immersive experience in the world of luxury fashion. As an intern, you will have the opportunity to work alongside industry professionals, gaining hands-on experience that is invaluable for your future career. This program is designed for passionate, creative individuals eager to explore and contribute to various facets of a globally recognised brand.

Responsibilities

- Work closely with different departments, including design, marketing, and operations, to gain a comprehensive understanding of the fashion industry.
- Support the execution of innovative projects that align with Burberry's strategic goals.
- Analyze industry trends to provide insights that drive brand strategy.
- Engage in team meetings, offering fresh perspectives and ideas.

Qualifications

- Currently enrolled in or a recent graduate of a degree program related to fashion, business, marketing, or a related field.
- Strong interest in the luxury fashion industry and keen awareness of current trends.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.

Job Benefits

- Gain valuable insights into the operations of a leading luxury brand.
- Build connections with industry leaders and fellow interns.
- Enhance your skills in a dynamic, fast-paced environment.
- Enjoy access to exclusive Burberry products.

Experience

Previous experience in fashion or a related industry is advantageous but not mandatory. What matters most is your enthusiasm and willingness to learn.

Skills

- Proficiency in Microsoft Office Suite and familiarity with design software such as Adobe Creative Suite.
- Strong organizational skills with the ability to manage multiple tasks efficiently.
- Creative problem-solving abilities and a proactive approach to work.

Contacts

Interested candidates should submit a resume and cover letter outlining their passion for fashion and what they hope to gain from the internship. Applications can be submitted via the Burberry careers website. Successful candidates will be contacted for an interview, which may include both behavioral and technical
