Eurogamer Remote Internship For Graduates 2025

Description

Embark on an exciting career journey with our Eurogamer Internship, designed for passionate individuals eager to dive into the dynamic world of gaming journalism. As an intern, you will become an integral part of our editorial team, contributing to content creation, community engagement, and the latest gaming news coverage. This opportunity is perfect for those looking to combine their love for video games with professional growth in a vibrant media environment.

Responsibilities

- Assist in the production of engaging content for Eurogamer's website and social media channels.
- Participate in brainstorming sessions to develop new ideas for articles, videos, and features.
- Conduct research and gather information on the latest gaming trends and news.
- Collaborate with editors to refine writing skills and learn best practices in content creation.
- Support the team in organizing and executing community events and online forums.

Qualifications

- Currently enrolled in or recently graduated from a degree program in Journalism, Communications, Media Studies, or a related field.
- Demonstrable passion for video games and the gaming industry.
- Strong written and verbal communication skills.
- Ability to work both independently and collaboratively in a fast-paced environment.
- Basic understanding of digital media platforms and content management systems is a plus.

Job Benefits

- Gain hands-on experience in the gaming journalism industry.
- Mentorship from experienced professionals in the field.
- Opportunity to develop a portfolio of published work.
- Access to industry events and networking opportunities.
- Flexible working hours to accommodate academic commitments.

Experience

Prior experience in writing or content creation is beneficial but not mandatory. We value creativity, enthusiasm, and a willingness to learn above all else.

Skills

- Excellent storytelling and writing skills.
- Keen eye for detail and a knack for investigative research.
- Proficiency in using social media platforms effectively.
- Basic video editing skills are advantageous but not required.
