

Moma Virtual Internship For Graduates Program 2025

Description

Embark on a journey of creativity and professional growth with the Moma Internship Program. This prestigious opportunity offers aspiring art and museum professionals a chance to gain hands-on experience at one of the world's leading museums.

The Moma Internship is designed for individuals passionate about modern and contemporary art. Interns will work within various departments, including curatorial, education, conservation, and administration. This program provides exposure to the museum's operations and an opportunity to contribute to its dynamic projects and exhibitions.

Responsibilities

- Assist in the preparation and organization of exhibitions and educational programs.
- Conduct research related to collections, artists, and upcoming exhibitions.
- Support the administrative tasks within the assigned department.
- Participate in meetings and workshops to gain insights into museum practices.
- Engage with curators, educators, and other museum professionals in collaborative projects.

Qualifications

- Currently enrolled in, or a recent graduate of, a degree program in art, art history, museum studies, or a related field.
- Strong interest in modern and contemporary art.
- Excellent written and verbal communication skills.
- Proficiency in Microsoft Office Suite and familiarity with digital resources.

Job Benefits

- Gain invaluable experience working at a world-renowned institution.
- Network with professionals and peers in the art and museum sectors.
- Opportunities to attend exclusive events and exhibitions.
- Access to professional development workshops and training sessions.
- Academic credit and/or a stipend may be available, depending on the internship arrangement.

Experience

While prior experience in a museum or gallery setting is not mandatory, it is advantageous. Experience in art research, project management, or education can enrich your internship experience.

Skills

- Strong organizational and time management abilities.
- Ability to work independently and collaboratively within a team.
- Analytical thinking and problem-solving skills.
- Attention to detail and a proactive approach to tasks.
