Simone Rocha Internship For Graduates 2025

Description

Embark on a creative journey with a Simone Rocha Internship, where innovative design meets the world of high fashion. As an intern, you'll be immersed in the dynamic environment of a leading fashion house renowned for its unique aesthetic that blends femininity with contemporary art. This internship offers a rare opportunity to work alongside a dedicated team of professionals committed to crafting exceptional collections.

Responsibilities

- Assist the design team in the development and execution of seasonal collections.
- Support the preparation for fashion shows and presentations.
- Collaborate with various departments to ensure seamless production processes.
- Conduct research on fashion trends, materials, and techniques.
- Help maintain organization within the studio, including inventory management and fabric sourcing.

Qualifications

- Currently enrolled in or a recent graduate of a fashion design program or related field.
- Strong understanding of fashion design principles and garment construction.
- Proficient in design software such as Adobe Illustrator and Photoshop.
- A keen eye for detail and a passion for innovative design.

Job Benefits

- Hands-on experience in a prestigious fashion house.
- Exposure to the entire design process, from conception to runway.
- Opportunities to network with industry professionals and creatives.
- Mentorship from experienced designers and team members.
- Insight into the day-to-day operations of a successful fashion business.

Experience

- Prior experience in a fashion-related role is advantageous but not mandatory.
- Experience working in a fast-paced environment where creativity and efficiency are key.
- Demonstrated ability to balance multiple tasks and projects efficiently.

Skills

- Creative flair with a strong sense of fashion aesthetics.
- Technical skills in sewing and pattern making are preferred.
- Ability to work collaboratively within a diverse team.
- Strong organizational skills and attention to detail.
- Adaptability and eagerness to learn new techniques and processes.
