### Description

Are you passionate about digital design and have an affinity for dynamic branding? We're looking for a creative and talented Twitch Logo Designer to join our team. In this role, you will be responsible for conceptualizing and designing innovative logos that captivate audiences and embody the spirit of Twitch. You'll work closely with our marketing and creative teams to ensure our branding stands out in the competitive streaming landscape.

### Responsibilities

- Design and develop unique and engaging logos that align with Twitch's brand identity.
- Collaborate with marketing and creative teams to understand project requirements and deliver designs that meet business objectives.
- Stay updated on industry trends and incorporate them into your designs to keep Twitch's branding fresh and relevant.
- Present design concepts and iterate based on feedback from stakeholders.
- Maintain brand consistency across all design projects, ensuring the Twitch logo remains a symbol of innovation and community.

### Qualifications

- Bachelor's degree in Graphic Design, Visual Arts, or a related field.
- Strong portfolio showcasing expertise in logo design and branding projects.
- Proficiency in design software such as Adobe Illustrator, Photoshop, and other graphic design tools.
- Excellent understanding of visual design principles, typography, and color theory.

### Job Benefits

- Competitive salary with performance-based bonuses.
- Flexible working hours and remote work options.
- Comprehensive health, dental, and vision insurance.
- Opportunities for professional growth and development.
- A vibrant and inclusive work environment with a focus on creativity and innovation.

### Experience

- Proven experience in a logo design or graphic design role, preferably within the digital media or entertainment industry.
- Experience in designing for digital platforms, particularly in streaming or gaming sectors, is a plus.
